

Turkeys are by pre-order this year as usual. Due to cancellations and disappointed customers who weren't able to receive a turkey last year because of those last minute cancellations, a non-refundable \$30.00 deposit per bird is required. The deposit will be deducted from the cost of your bird when you pick it up.

The weight range is from 15 lbs. and up. Those who want a huge bird (over 25 lbs.), need to reserve it now since it takes longer for the birds to reach those weights. We don't harvest birds less than 15 lbs. because most have not matured and much of the weight is bone and feathers, etc. Also, the larger birds are almost always toms. Price per pound is \$6.00. Giblets included.

### **HOW TO ORDER A 2018 TURKEY**

**(Fill in the blanks at the bottom and return with your deposit check of \$30. per turkey)**

This season we will start bringing frozen turkey orders to both the Haile and 441 markets beginning on Saturday October 6<sup>th</sup>, then each Saturday until November 17<sup>th</sup>. If you have freezer space, we strongly advise you to get your turkey as early as possible as there is always a mad rush the closer to the holiday we get. You may order and pick up turkeys before Oct.6<sup>th</sup> without a deposit or a reservation by sending us an email telling us the approx. weight you'd like and the market you shop at. Since we harvest on Mondays, we need your order prior to Monday of that week to receive it on the following Saturday

Every year we offer a very limited number of fresh, not frozen turkeys. They will be harvested on Monday, November 19<sup>th</sup> for pick up on Tuesday, the 20<sup>th</sup> **at the farm only**. Again, the deposit applies. It is a farm "open house" for those of you wishing not only for a fresh bird, but a self-guided tour of the Laughing Chicken Farm, coffee, tea, cookies etc.

Christmas turkeys also require a reservation and deposit, although there is still some time ahead for those.

We take cash, credit/debit cards and local checks. Please make checks payable to:

Robin Popp
